renegotiate PPAs on the basis of various Electricity Acts/notifications and guidelines in vogue. Internal rate of return of the project is not specified by the Government of India and hence not used as guidelines for CEA's project evaluation.

(b) Yes Sir. the promoters, M/s Hinduja National Power Corporation Ltd. have conveyed concern of their partners about the escalating casts of developing the project and the protracted delays in bringing the project to finalisation.

(c) As per techno-economic clearance given by CEA, the commercial operation date of Unit I/II of the project is likely to be 38/44 months from the date of financial closure. The sale rate of Power shall be governed by the completed capital cost, approved financial package and the PPA entered into between APSEB & the developer.

Oman Oil Pipeline Gas Project

684. SHRI SOLIPETA RAMACHANDRA REDDY:
